Dear Friends & Supporters:

Society of Saint Vincent de Paul wishes to thank you for your support and your generous donation of 5 skids of water. The Society's mission to serve Christ in the poor with love, respect, justice and joy, will certainly be forwarded by your gift.

Members of Society of Saint Vincent de Paul personally visit the families we serve. Fellowship is offered through friendly visits and relationships are established. Along with food and other essentials, we try to bring our families hope.

The number of families and individuals in need is climbing. Last year we were able to respond to more than 41,100 requests for assistance. The primary request is for food. We are now receiving close to 1,000 calls from families in Windsor and the county every month asking for help.

Society of Saint Vincent de Paul receives neither government funding nor United Way support in this region. We trust in the generosity of our members and friends like you, to help us as we strive to help others.

All of us at Society of Saint Vincent de Paul and those we provide for very much appreciate your donation. Your goodness has provided hope. You are and will continue to be in the prayers of Vincentians.

Warmest regards,

Alexis Baksi  
General Manager
